Looking to get involved with your community?

Now is the time.

Dear Dr. Harker,

Tragedy, pain, and heartbreak - occurrences and emotions that no community, especially one dominated with vibrant young students, should ever experience.

Unfortunately, pedestrian-driver casualties occur too often in bustling cities such as Morgantown. With the slogan of **Safe, Seen, Sure**, the Pedestrian Safety Board dedicates their personal time towards the efforts of one ultimate

Morgantown is a hazardous area, as its dominated by pedestrians as well as heavy vehicle traffic. Unfortunately, due to a lack of education and efficient technology, tragedies still occur on our campus.

The Pedestrian Safety Board is run solely by volunteers, meaning it's up to you, me, and everyone in this community to come together to support this cause.

With your involvement with the Pedestrian Safety Board, you would be contributing towards the advancement of better and safer technology, bringing more awareness and education to students and citizens, and ultimately preventing another Mountaineer fatality through these efforts.

Contributing to bettering the community for future and current students, staff, and residences are simple, as the board only meets on the first Monday of every month.

So, Dr. Harker, we hope you consider our proposal to join our team of dedicated volunteers, working towards the safety of our community one step at a time.

For more information, email Matthew Cross at crossnyc@hotmail.com, or visit the board's webpage at <https://www.morgantownwv.gov/297/Pedestrian-Safety-Board>

Thank you for your time, we look forward to hearing from you.

Matthew Cross
Chairman, Pedestrian Safety Board
